## Community Centre Services

---

The Community Centre offers space for meetings, events, and parties of up to 100 people. The Centre has two halls, the New Hall available throughout the year for events and the Main Hall, available throughout the summer holidays. And, thanks to the Alan O'Dowd Fund and Municipal District Funding, we have plenty of catering and dining equipment for you to use.

Within the Resource Centre, visitors can avail of black and white photocopying and access to high-speed broadband.

Resource centre staff provide administration services - including creating posters and brochures - to community groups and can also assist in sourcing funding streams and applying for grants to enhance community facilities.

Drop into the office for more information on how the Resource Centre staff can help you with admin, internet, and events.

# Lisacul Community Newsletter - Winter 2020

---

Welcome to the Lisacul Community Newsletter, published by Lisacul Community Development Co Ltd.

This quarter's newsletter features the Ladies Club - a vibrant and busy group, I'm sure you will agree.

Since our last edition, we have had Christmas and New Year with its feasting and visitors. We also celebrated our community at the Village Christmas Party, and the 100th birthday of Tommy Gallagher with a party at the Community Centre. We had news of how we did at the Pride of Place awards, and we grew our Facebook and Website audience.

We hope you enjoy this edition and find it helpful... If you have any feedback for us please feel free to contact The Resource Centre staff or you can come along to the a Community Development Company meeting.

Don't forget you can also find us on Facebook – Lisacul Today, on our website [www.lisaculinfo.ie](http://www.lisaculinfo.ie) and on Twitter @LisaculResource.

Kind regards,

Karen Greene, Chairperson

## Lisacul Ladies Club

---

Lisacul Ladies Club was established in 1996. We currently have fifteen members who meet monthly in the Community Centre.

At our meetings we discuss events we would like to take part in and plan outings. We hold a raffle and enjoy refreshments and occasionally home baking! We have a savings club where members save for our outings. We also have a lotto syndicate and as we are all positive people, we believe one day our luck will come in!!

Over the years we have invited numerous speakers to attend our meetings: from beauticians, reflexologists, local pharmacists, fashion stylists to garden experts and florists and we have done flower arranging, yoga, interior design and Healthy Life style courses.

We have also taken part in initiatives such as conservation of water, for which we won a Green Home Award, presented by Duncan Stewart and as part of our Charity work, we knitted Easter Chicks and raised money for the Diocesan Apostolic works and made a patchwork quilt which was auctioned to raise funds for the local Hall.

Social outings are a major part of our activities. We have excursions to Roscommon for shows in

the Arts Centre as well, to Claremorris and The Royal Theatre, to Dublin for a show at the O2, some shopping and an over-night stay. We have attended the Roscommon Races and greyhound racing in Galway. Some members even went on a trip to Rome. Every Christmas we go out for a meal, usually a party night. In June we do likewise before we break for the summer. This year we had a lovely meal in Gleeson's Town House Roscommon followed by attending "The Matchmaker" in the Arts Centre.

One local project that we undertook and are very proud of is the Ladies Garden plot in the local cemetery. The plot is just inside the main gate and we cleared and planted flowers there some years ago. Some members do the planting each year and others help with the weeding throughout the summer.

So, as you can see the club is going from strength to strength. New members are always welcome. We are proud of our club and village!
